Judging Guidelines

Entries for the Smokin' on the Beaver contest will be scored using the process outlined below. Scores will range from 9 to 2 with 9 being the highest and 2 the lowest. The score of 1 is assigned for disqualification only. Each entry will be judged on its own merit; judges will not rank entries – therefore two or more teams may get the same score from the same judge.

Judging criteria for the Homebrew and Homemade Wine:

Aroma: In your opinion, does the entry smell like brew, wine or spirit?

Appearance: How are the color and the clarity?

Taste/Flavor: This is a personal preference.

Body: How does the drink feel in your mouth?

Drinkability: Is the entry something you would want to continue drinking?

Overall Impression: The final criteria. What is the overall effect of the drink, your total impression?

In the case of a tie, the winner will be determined by the highest score in the "Taste/Flavor" category; if a tie still exists, Judges 1 and 5 will determine the winner.

Judge 2 in each category will score the Appearance/Presentation of the entries. The same designated judge is to score ALL the entries in their assigned category; however, group discussion/concensus may occur.

If one had to describe the 9 to 2 rating scale, the descriptions might use the following words:

9= So outstanding, it is among the best

8= Close to but not quite among the best

7= Much better than average, but not nearly among the best

6= Slightly better than average

5= Average

4= Slightly below average

3= Quite a bit below average, but not among the worst

2= Among the worst

1= Disqualified per rule violation
