## Judging Guidelines

Entries for the Smokin' on the Beaver contest will be scored using the process outlined below. Scores will range from 9 to 2 with 9 being the highest and 2 the lowest. The score of 1 is assigned for disqualification only. Each entry will be judged on its own merit; judges will not rank entries – therefore two or more teams may get the same score from the same judge.

Judging criteria for Salsa will be as follows:

Appearance: Does the entry have eye appeal?

Texture: How does the entry feel in your mouth?

Taste: This is a personal preference, but should consider things as spice, blend of flavors, and the overall palate appeal.

Overall: The final criteria. What is the overall effect of the entry, your total impression?

In the case of a tie, the winner will be determined by the highest score in the "Taste" category; if a tie still exists, Judges 1 and 5 will determine the winner.

Judge 2 in each category will score the Appearance/Presentation of the entries. The same designated judge is to score ALL the entries in their assigned category; however, group discussion/consensus may occur.

If one had to describe the 9 to 2 rating scale, the descriptions might use the following words:

9 = So outstanding, it is among the best

8 = Close to but not quite among the best

7 = Much better than average, but not nearly among the best

6 = Slightly better than average

5 = Average

4 = Slightly below average

3 = Quite a bit below average, but not among the worst

2 = Among the worst

1 = Disqualified per rule violation
